What are my options if I am charged with a minor traffic violation?

You have three options:

- 1. Plead guilty and pay the fine, by mail, online, or in person, without going to court. (A conviction will be entered on your driving record.)*
- 2. Plead not guilty and request a trial.*
- *For options 1 and 2, follow the directions on your traffic ticket.
- 3. Request the Traffic Safety Program. You do not have to appear in court, and a conviction is not entered on your driving record if you:
- a. sign the "Plea of Guilty" portion of your traffic ticket,
- b. pay the ticket fine and \$42 nonrefundable program fee,
- c. attend the National Safety Council's Defensive Driving course offered by Lake Land College,
- d. avoid further convictions during six months of Court Supervision.

What is the Traffic Safety **Program?**

The Traffic Safety Program, enacted by the Illinois Supreme Court and guided by the conference of Chief Judges, has been adopted by the Sixth Judicial Circuit Court. This program is intended to improve your driving skills, decrease the possibility of future traffic law violations, and reduce the chance you or someone else may be killed or injured in a traffic accident.

The Traffic Safety Program allows you to request Court Supervision and to avoid having minor traffic offenses appear as a conviction on your driving record.

What is the benefit of choosing the **Traffic Safety Program?**

If you successfully complete the Traffic Safety Program, the plea of guilty will be reported to the Secretary of State as "Court Supervision" and does not negatively impact your driving record.

If you choose the Traffic Safety Program option, you will receive four (4) hours of defensive driving instruction, and agree to obey all traffic laws during six months of Court Supervision.

How do I show I have completed the Traffic Safety Program?

If you complete the program through Lake Land College, Lake Land will notify the court regarding your program completion and will present you with a certificate of completion for your personal records.

If you do not complete this program or if you violate a traffic law during court supervision, your supervision will be summarily revoked and conviction entered. Your program fee is forfeited.

If you are interested in taking the class at an alternate location, follow the registration instructions and mark "alternate location" under class options. You will receive further details and instructions by mail from Lake Land College within 30 days.
